---

Plaintiff Aaron Davis ("Plaintiff") is proceeding pro se and in forma pauperis in this Title VII employment discrimination action.

On May 16, 2007, the Magistrate Judge issued Findings and Recommendation that Defendants' motion for terminating sanctions be GRANTED and the action be DISMISSED. The Magistrate Judge further recommended that Defendants' request for sanctions in the amount of \$2,880 be DENIED. The Findings and Recommendation were served on all parties and contained notice that any objections were to be filed within thirty (30) days. More than thirty (30) days have passed, and objections have not been filed.

In accordance with the provisions of 28 U.S.C. § 636 (b)(1)(c), this Court has conducted a *de novo* review of the case. Having carefully reviewed the entire file, the Court finds that the Findings and Recommendation are supported by the record and proper analysis.

Accordingly, IT IS HEREBY ORDERED that:

1. The Findings and Recommendations dated May 16, 2007, are ADOPTED IN FULL;
2. Defendants' motion for terminating sanctions is GRANTED and this action is DISMISSED; and
3. Defendants' request for monetary sanctions is DENIED.

The action is terminated in its entirety. The clerk is directed to close this action.

IT IS SO ORDERED.

**Dated: June 28, 2007**
